Transaction Status column

- New = Procurement card verification has not been started.
- Pending = Procurement card verification has been started but is not complete. This occurs when the verification is in a Draft or In Progress status.
- Prepaid = Procurement card verification has not yet been started or has been started but is not complete. A status of prepaid also indicates that the transaction has been settled (i.e., paid to Bank of America).

Business Document column

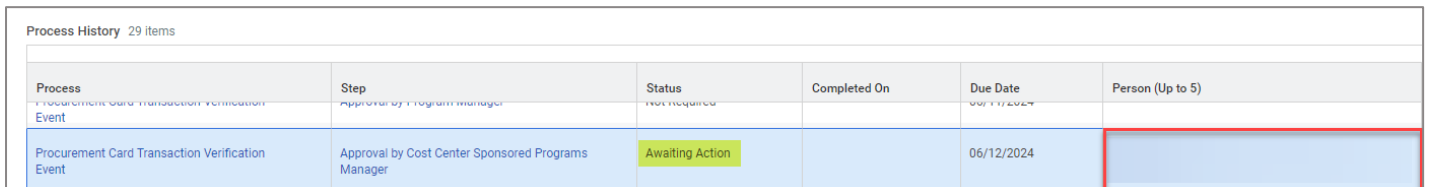

Pending P-card verifications are listed in the Business Document column. To see more information about the verification, Right click on the blue document hyperlink and select **See in New Tab**.
